Plaintiff, the United States of America, having filed its Complaint for a permanent injunction and other relief in this matter pursuant to 26 U.S.C. §§ 7401 and 7402, and having applied *ex parte* for a Temporary Restraining Order pursuant to Rule 65 of the Federal Rules of Civil Procedure, and the Court having considered the Complaint, plaintiff's motion and the memorandum filed in support thereof, and now being advised in the premises, finds as follows:

1. This Court has jurisdiction of the subject matter of this case, and there is good cause to believe that it will have jurisdiction of all parties to the case, and that venue in this district is proper.

2. There is good cause to believe that defendants Paysource LLC, Provident Management Group, Inc., Provident Business Partners, Inc., Scott M. Boley, Douglas C. Morby, Robert A. Langford, Zephyr Trust, Omega Resources Group Trust, Timpview Marketing Trust, Albion Tech Trust and Maritime Group Trust have misused client funds, have failed to file federal employment tax returns and failed to make federal tax deposits on behalf of its clients, and the United States is likely to prevail on the merits of this action.

3. There is good cause to believe that immediate and irreparable harm will result from defendants' actions unless defendants are restrained and enjoined by order of this Court.

4. There is good cause to believe that immediate and irreparable damage to the Court's ability to grant effective monetary relief will occur by the defendants' dissipation of assets in

their business bank accounts unless the business bank accounts are immediately frozen by order of this Court, and that in accordance with Fed.R.Civ.P. 65(b), the interests of justice therefore require that this order be granted without prior notice to defendants. There is thus good cause for relieving the United States of the duty to provide defendants with prior notice of the United States' motion.

5. Good cause exists for the appointment of a Temporary Receiver for defendants.

6. Weighing the equities and considering plaintiff's likelihood of ultimate success, a Temporary Restraining Order ("Order") with business bank account freeze, appointment of a Temporary Receiver, and other equitable relief is in the public interest.

7. No security is required of the United States for issuance of a restraining order.

Fed.R.Civ.P. 65(c).
